## PRESIDENT'S MESSAGE

I am going to take the opportunity of reporting the meeting of NJES which took place at 11:00 AM on May 19th during the GSNA Convention. As you know, that is our yearly meeting. I started with a note of sadness regarding the passing of two of our members – Carl Pannicke, who designed our logo and who I knew well as a result of friendship, with his sister Ruth, who was a college classmate and Dave Wilson, just a delightful guy! I also mentioned Chris Connell, not a member, not a token or medal collector but also a delightful guy. Also mentioned were those ailing – Al Zaika having eye problems and Steve Middleton, who is looking good! George Skic is also recovering well but could not be with us due to a family celebration. I had a few positive announcements – Gary is doing a great job as editor (and doing everything else)! Gary and Dave Gladfelter's scholarship! This will be permanently available to those interested as "Jerseyana" is now archived in the Special Collections division of Rutgers University Libraries. I am Co-Editor of a book "Mapping New Jersey" (Rutgers University Press) and hope to include images of New Jersey tokens, medals and scrip. I am delighted to report that Bob Schopp has volunteered to take over the Treasurer job from Al. One critical need is to find out how much money the organization has! (editor's note: \$3,602. in the treasury).

The bulk of the meeting was devoted to brainstorming on how to grow the organization and interest in tokens, medals, scrip, etc. Some ideas were – an exhibit at GSNA, a one page article in NJNJ with a plea for volunteers, NJES speaker at local clubs – Dave Gladfelter to write a one page general article for "Coin World," and "Numinews." (I love this idea but Dave was not in attendance)! There was much discussion of why membership in clubs like ours has fallen off. Basically volunteerism has fallen off and people are not dealing face to face but rather over the internet. There has been a falling off of camaraderie, which is a real shame in human dimensions. I need to add that Jim Majoros has offered us a room at the Ocean County Club's show in September for show and tell, swapping, etc. I'll have to check my schedule but I'll try to do it.

Best, Pete, P.S. Al Zaika won the 50-50 and donated it to the club.

### MAVERICK TOKEN

This could be a Magician token ? PROF. K. MAGNUS – COUNSELLOR OF NATIONS. It was a very common practice for magicians to call themselves “Professor”, “Doctor”, “Signor”, “Monsieur” or anything else to make it look like they were better educated or more knowledgeable than their audience. gp

### RARE BOY SCOUT TOKEN FOUND

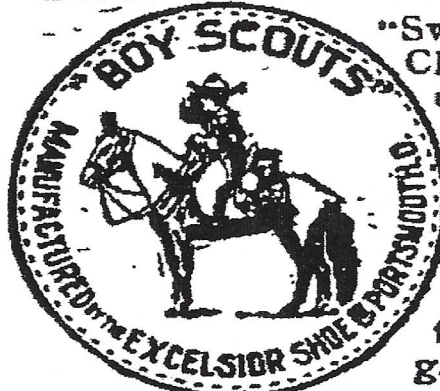

These Boy Scout tokens were made by the Schwaab Co. of Milwaukee, Wis., The Whitehead & Hoag Co. of Newark, N.J. and the L.F. Grammes Co. of Allentown, PA. No tokens are known with L.F. Grammes mintmark on them. There are many major and minor varieties of the token. They were issued in Brass and some in sterling silver for the Scout leaders. Most of them have a small hole at the top to allow the token to be tied to the shoes before they were sold. The token pictured not only doesn't have the hole but is a rare variety made of Iron. It was made by Whitehead & Hoag. gp

This Nite Owl Taxi token recently appeared on Ebay. It came on the market around 1974. The owner of the taxi company lived in Manchester (less than a mile from my house). I met him and after showing him the token asked how many did he have made up. I was surprised when he told me he never saw the token, never used it, nor did he ever order it. The token is listed in Atwood's Transportation Catalogue under New Jersey Miscellaneous.

THINKING OF STARTING A NEW COLLECTION ? WHY NOT TRY TO PUT  
TOGETHER A COLLECTION OF TOKENS WITH YOUR NAME ON THEM.

The Taggart Baking Co. of Indianapolis, Indiana was making a one pound loaf of bread named "MARY MAID" (The Greenduck Co. made a Watch Fob for them with the letter "M" on the obv.). In 1921 they decided to bring out a 1½ lb. loaf. V.P. Elmer Cline was to name and market the new bread. About the same time the International Ballon Race was taking place at the Indianapolis Speedway. Mr. Cline saw the sky filled with hundreds of colorful hot air balloons. The wonder of that sight prompted him to name the new bread "Wonder Bread" – colorful balloons have been on the Wonder Bread ever since. The Continental Baking Co. bought Taggart out in 1925.
